

Bryan Ricks, PE

Atlanta Highway Group Leader
RS&H

Bryan has more than 25 years of experience, mostly in Georgia, in management, design, and development of plans for roadway construction. He is currently serving as the Highway Group Leader at RS&H, Inc and is a 2022 ACEC Engineering Leadership Academy graduate. Bryan continues to stay motivated in this industry and have sustainable career growth through his commitment to professional development. He has worked in the private and public sectors, managing SPLOST programs and various projects throughout Georgia.

Bryan graduated from the University of Kentucky where he received his bachelor and master's degrees in civil engineering. He is currently enrolled in the Coles College of Business at Kennesaw State University pursuing an MBA while being a husband and father to 4 children, Cameron, Jackson, Carsyn, and Ashtyn. He loves playing with his 3 dogs, golf, and watching sports during his free time.
